Recognition awards of research grant recipients - 2023

Full Name:	
Designation:	
Department:	
Faculty:	

Please list the grants received during the year 2023 in the following table:

Grant Name	Grant body	Grant Amount	PI or Co-I	Number of collaborators

Scoring system and weighting of each criterion:

Grant Award Amount	A. Total Amount	0 – 1 million → 0.5 marks per grant 1 – 3 million → 1.0 marks per grant 3 – 20 million →1.5 marks per grant Over 20 million → 2 marks per grant
	B. Distribution	National Grants → Multiply the marks received for each entry in A by 1 International Grants → Multiply the marks received for each entry in A by 2
Grant Source Prestige	C. Tiering of National Grants	University grants → Multiply the marks received for each entry in B by 1 NSF, NRC, and other competitive granting bodies → Multiply the marks received for each entry in B by 2
	D. International Agencies	Multiply all entries in B by 2
Grant Type	E. Principal Investigator (PI) vs. Co-Investigator	PI → Multiply the marks received for each entry in C or D by 2 Co-I → Multiply the marks received for each entry in C or D by 1
	F. Individual vs. Collaborative Grants	Collaborative → Multiply the marks received for each entry in E by 1.2 Individual → Multiply the marks received for each entry in E by 1
