iPURSE2025 Conference- Guidelines for Oral Presentations

Each oral presenter will be allocated **10 minutes** for their presentation, followed by a **joint Q&A session**. The session chair will strictly enforce the time limit. To ensure a smooth and effective presentation, we strongly recommend rehearsing in advance to stay within the allocated time.

Presentation Content Guidelines

Your presentation should be consistent with the content of your submitted abstract. Please consider the following structure:

- **Introduction**: Start with a clear opening that outlines the purpose and scope of your study.
- **Materials and Methods**: Provide a brief summary of the methodology used.
- **Results and Findings**: Focus the majority of your presentation on key results. Present them clearly and succinctly, emphasizing their significance.
- **Conclusion**: End with a concise summary highlighting the main outcomes and implications of your work.

Presentation Instructions

All presenters are expected to:

- **Arrive at the venue** at least **15 minutes before** the session starts and remain for the **entire duration** of the session.
- **Submit their PowerPoint presentation** to the session coordinator **prior to the session start**.
- **Strictly adhere** to the 10-minute time limit for the presentation.
- Be prepared to **participate in the Q&A session** and discuss their research findings.
- Clearly display the **abstract number, title, and author(s)** on the first slide.
- **Acknowledge any sponsors or funding agencies**, if applicable.
- Ensure they are **registered for the conference**, as registration is **mandatory** for all presenters.
